HEAT ALERT WAVE FIXED ORANGE LEVEL 3 IN PARIS BY THE PREFECTURE ILE DE FRANCE

THRESHOLD BETWEEN 21&31 DEGREES CELSIUS

Paris, Washington DC, 29.06.2015, 20:38 Time

USPA NEWS - The Prefect of Paris and Ile-de-France, has enabled this day Monday, June 29, 2015 Å 19 hours, Level 3 (Heat Wave Alert) of departmental level management of the heat wave in Paris. The temperatures should rise very high in the next 3 days, according to meteorologists.

MEASURES AND RECOMMENDATIONS TAKEN BY THE PREFECTURE FOR FIXING THE DEGREES OF HEAT WAVE-----The levels of the heat wave in Paris, plan and alert, are developed jointly with the Commissioner of Police, Prefect of the defence and security area of Paris, the territorial delegation of the Paris regional Health Agency Ile-de-France and the Mayor of Paris. The meteorologists in France estimates predict a heat wave estimated to be at least 3 days of heat wave. The Prefecture of Paris and Åle de France, has taken measures and has fixed the threshold under the bearable degrees of heat wave in accordance with the law are as follows:

IN CASE OF DEHYDRATION CALL UP 3975-----

For those who travel to Paris to visit the French capital or those residing there, here are some practical recommendations to avoid suffering the heat.

Activation by the City of Paris with a call center (3975) who contacts the frail who have previously registered for this purpose or whose plight is reported him. Information Paris.fr panels on the "heat wave" vigilance.-----

Opening of 4 rooms refreshed available from the passage level "heatwave alert", the following fours will be open according to the changing needs-----

Registration and transportation to these facilities are provided by the City Council services Paris. The system of "marauding" associative and municipal are strengthened. The refreshed places are reported with the use of the general public, others are specially equipped to provide vulnerable people secure a respite cool.-----

Established by the Regional Health Agency of Ile-de-France Regional Support Unit and Sanitary Control.

The prefect of Paris and the Prefect of Police made a call for a special effort of vigilance and assistance to his family and relatives, neighbours who may be isolated.

Remember, please to hydrate yourself permanently by drinking water and one should be aware that there are over 200 in Paris fountains, fed from the drinking water network, and which operate like the first day, even if they appear old.

So bring your flask, and keep covered under the sun !
